Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth. 2 Timothy 2:15 (NIV)

2 and 3 year-olds

Big truths, little hearts ~ Kids discover and explore the great big world that exists outside their home. The teaching for the Awana Puggles program is built around four precepts: God made everything; God saw that it was good; God is love and give thanks. Children experience basic Bible memory, engaging lessons and songs created especially for their age group to instill big truths into little hearts.

PreSchool

Emphasis on respect for authority ~ The Cubbies program plants seeds of faith in young minds concerning God, Jesus Christ and the Bible. Your preschoolers will come to understand God's great love for each one of them. They learn about God – the greatness of His love and His Word – and about His Son, Jesus Christ, the promised Savior.

K thru 2nd grade

Emphasis on building a truth foundation for wisdom ~ The Sparks program zooms in on the details and builds a foundation of biblical wisdom through memory verse drills, crafts, activities and review of key doctrine and Bible facts. Kids in Sparks are introduced to Bible characters and events from Genesis to Revelation and learn why they are important. We focus strongly on evangelism, helping children to know God through faith in His Son, Jesus Christ, as their Savior.

3rd - 6th Grades
Two clubs in one

Emphasis on grace and mercy in relationships ~ Trusting Christ for salvation and following Him is the ultimate adventure for 3rd and 4th graders! Truth & Training answers questions about God and the Bible, guiding them through this pivotal life stage to grow in the grace of Jesus. T&T kids learn that the Bible is true and they can firmly put their trust in God's Word. Its focus is also on discipleship and service.

Walking faithfully with Christ is the ultimate challenge for 5th and 6th graders! To meet the unique needs of this pivotal age group, T&T continues to emphasize teaching kids the truth of God's Word and training them to follow Jesus and practice grace in their interaction with others. T&T shifts gears after fourth grade to equip kids to stay plugged in and grow in a relationship with Christ.

It builds within students a sense of destiny in light of God's plans for their future as they grow up and follow Him in middle school and beyond. Trek directly answers the questions that middle schoolers ask. Evangelism is always a prime focus of Awana, but our youth programs focus primarily on discipleship to help students become more like Christ.

High School

Emphasis on submitting to God's sovereignty ~ As teenagers prepare to enter adulthood, the high-school curriculum cements in students' hearts and minds God's sovereignty over their lives and over the world. This molds their perspective of life and impacts how they view the difficult questions life brings in light of God's control. Students will leave Journey with a deep understanding of God's Word and a steadfast faith.
